2004 NDM Voucher

Voucher #:

No. of Bags:

Date Issued:

Please follow instructions on attached sheet

This original voucher must be presented for collection of product.

(1) This official voucher issued by the Utah Department of Agriculture and Food (UDAF) certifies that _____ **bags** of NDM weighing 55 lbs. each may be claimed by _____ or their designee when approved by the UDAF and at a location designated by the UDAF.

(2) It is emphasized that any barter/or sale agreement for the NDM product between the livestock owner and a feed dealer/feedlot operator is done as a private negotiation between these two parties. The UDAF and USDA have no interest or liability in such agreement.

(3) I hereby barter/sell my NDM to: _____

(4) Signature Voucher Recipient: _____ Date: _____

No. of Bags:

Date Issued:

Immediate Action Required

To be completed by company receiving the product.

Complete lines (5), (6), (7), (8) and sign line (9) and Fax to: 801-538-7126 by **no later than Nov. 15, 2004.**

I agree to accept the product in "as is" condition. The Utah Department of Agriculture and Food, USDA, feed dealers/manufacturers or industry organizations make no guarantees and assume no liability regarding its use. This product has been denatured with anise oil. If improperly fed this product can sicken/kill livestock. Contact a livestock nutritionist for proper feeding instructions.

(5) Name of feed dealer/feedlot operator claiming NDM: _____

(6) Phone number (_____) _____

(7) To be delivered to: _____
Address City State Zip

(8) Preferred date of delivery: _____

I agree to the terms of the NDM program listed below.

- The NDM may NOT be exported from the United States;
- The NDM may NOT be processed for or used for human consumption;
- The NDM may NOT be fed to dairy, poultry, swine or fish.
- The NDM shall only be used for foundation and feeder livestock for beef cattle, bison, sheep and goats.
- NDM must only be used in the 2004 eligible states: Arizona, Idaho, Montana, Nebraska, Nevada, New Mexico, Utah, Oregon and Wyoming.
- NDM may be processed outside the eligible states as long as it is consumed within the eligible states listed above.
- Consumption of the NDM by livestock normally housed in one of the eligible states will be considered to be consumption in an eligible state even though the herd is quartered temporarily elsewhere;
- The purchaser of NDM shall, upon inquiry, certify to the disposition of the NDM for the proper use and certify to compliance with all limitations of this agreement on the use of the NDM and products made from it.
